## DAWSON CHAIR

This unadorned design is both practical and functional, awaiting your creative touches to bring it to life. It offers comfortable seating for any guest, whether around the dining table or as an accent in any room or area of your home. It's a space-saver, but big on relaxation with its tall padded back and cushioned fabric seat. So take your time to look at the upholstery we offer and we'll create the perfect dining/accent chair for you.

### FEATURES + CUSTOMIZATIONS

- The frame is crafted from a combination of engineered and solid wood
- Crafted in Canada
