## ADELAIDE CHAIR

Style and comfort in one gorgeous package! This elegant lounge chair has a lot going for it. Once you choose your covering from our vast collection of upholstery styles and colours, we'll enhance the contours of your chair with metal nail head trim along the sides. We'll even create a 100% feather-filled lumbar pillow in the same fabric. Just finish it off by selecting the wood finish for the legs and sit back and enjoy your masterpiece.
