## TOKYO LONG BENCH

Sleek and contemporary, the Tokyo Long Bench brings understated glam and functionality to any space. Its long, lean saber legs come standard in a striking mirror chrome finish but can be customized with your choice of refined metal finishes. Its generous length provides ample seating, while the customizable upholstery allows you to choose from a vast collection of fabrics—whether you prefer a timeless solid, a subtle pattern, or a bold statement print.

Perfect for the foyer, bedroom, or anywhere in between, the Tokyo Long Bench is the ideal combination of luxury, versatility, and superior craftsmanship.

### FEATURES + CUSTOMIZATIONS

- Standard with mirror chrome base.
- Available with 5 metal finishes at an upcharge: Satin Brushed Light Bronze, Bronze Champagne, Old English, Dark Brush Bronze, and Dull Nickel.
- Solid steel base.
- Custom sizing is not available for this model.
- Standard with a tight seat cushion (minimum 2.5 lb density).
- The use of leather or non-railroaded fabrics will require the use of seams.
- Crafted in Canada.
