WELLINGTON BENCH

Always in style, this simple, elegant design is like the 'little black dress' of the fashion world. And like the dress, it's an enduring favourite that awaits your special touches to make it your own. We start with the quality craftsmanship, the sleek lines of the solid wood base, and the sturdy cushioned seat. Then it's up to you to embellish with your choice of fabric and finish to make it the perfect accent for your modern or traditional style.
