ABIGAIL CHAISE LOUNGE

Oh so inviting, this chaise lounge is a tasteful addition to any room where one might seek a little respite. Beautifully designed with handcrafted quality construction, your only task is to select the fabric and finishes. Then, just add a good book and a spot of tea and you have the perfect recipe for some well-earned “me time”. Your customized lounge is made for enduring comfort that will outlast a library of books and all the tea in China.

FEATURES + CUSTOMIZATIONS

- Standard with feather and fibre blend back cushions
- Includes a 100% feather-filled, self-piped kidney pillow (in the same fabric)
- The frame is crafted from a combination of engineered and solid wood
- Crafted in Canada
