AERIEL CHAIR

Another classic style, the Aerial lounge chair is just waiting for your vision of what it should be. Like all Vogel furniture, it can be customized from top to bottom, from your choice of hundreds of fabric patterns and colours to the wood finish we meticulously apply to the legs. With this chair, you also get a 100% feather-filled lumbar pillow in the same fabric. Pair it with a matching ottoman and you've found the perfect spot to lounge.
