## MAX SWIVEL CHAIR

This chair design is exquisite in every detail, from the perfectly appointed wood-top arms to the subtle curves that surround you with comfort. The ever-so-slightly slanted back adds another unique touch. Quality construction and fine styling like this are standard features of every Vogel chair. Choose your upholstery from our vast selection of fine fabrics and we'll include the 100% feather-filled kidney pillow in the same fabric. Then select your wood finish and our craftsmen will create an extraordinary chair for you that will stand the test of time.

### FEATURES + CUSTOMIZATIONS

- Includes a 100% feather-filled, self-piped kidney pillow (in the same fabric)
- Custom sizing is not available for this model
- The frame is crafted from a combination of engineered and solid wood
- Crafted in Canada
