

15437-11

SHELBY POWER RECLINER

This contemporary take on a traditional style offers a more streamlined look, yet the seat is a little wider. The arms are smooth and low, yet they offer comfort and style. Try it out and you'll see how exquisitely comfortable the Shelby Power Recliner is. Your Vogel chair is completely customizable, so you get exactly what you want for your home. Choose the upholstery and wood stain and our craftsmen will use only top-quality materials to create your beautifully styled recliner.
